DAMAGE PROTECTION OPTION

A 10% protection charge will be added per contract to all rental items (unless declined). Damage Protection will cover the first \$100.00 of broken or damaged equipment and 50% of any additional damage or breakage. The remaining 50% will be the customer's responsibility. As this is a damage protection, it will not cover the cost of lost or stolen items. This is because when items are missing, the replacement charges may be refunded if the item(s) are returned within 30 days of closing date.

DAMAGE PROTECTION COVERAGE

Replacement costs will be covered for first \$100.00 of damaged or broken equipment. An additional 50% of replacement costs will also be covered for any damages exceeding the initial \$100.00 leaving the customer responsible for the other 50%.

EXAMPLE:

Damage protection paid for a barbecue on a contract is \$16.50. The barbecue was damaged on return with damage costs totaling \$1,000.00. The amount covered would be the first \$100.00 with the remaining damage (\$900.00) covered at 50% therefore leaving the customer responsible for half of the remaining \$900.00. Amount payable by the customer would be \$450.00.

\$ 1000.00	Total Amount of Damages
\$ -100.00	\$100.00 Amount Covered by Damage Protection
<u>\$ 900.00</u>	
2	Divide the Remaining Damages by Two
<u>\$ 450.00</u>	50% Amount is Covered by Damage Protection and the Remaining 50% is Owed by the Customer

If you wish to decline the damage protection option on all future orders please sign below and return to us via DocuSign or email at regina@specialeventrentals.com.

I hereby decline the damage protection coverage option.

Signature: _____

Please Note: By signing above the account for the above contract will be declining Damage Protection Coverage for this and all future orders. Once the damage protection option is declined, it will no longer be an option on any future orders. If you have any further questions please contact our Accounts office at (306) 992-2211.
